

## The Canning Room – Applications

Tinning Street Presents (TSP) is seeking artists to exhibit in our smaller gallery from July to December 2019. We encourage applications from artists of various backgrounds, disciplines and stages of career. The Canning Room's size lends itself to small works on paper, small sculpture/objects, video/projection and intimate shows.

If you would like to discuss your proposal, or wish to propose something outside of the standard exhibition format, please contact us on [apply.tinningstreet@gmail.com](mailto:apply.tinningstreet@gmail.com). As The Canning Room is new, we strongly encourage artists to visit before applying. **Applications close 5pm, April 22nd 2019.**
