Kayleigh Heydon

Tinning Street Gallery
22 March 2018 - 8 April 2018

22nd March 2018 | 6pm - 9pm | Tinning Street Gallery

An exhibition by Manchester born/Brunswick based artist Kayleigh Heydon. A mixture of painting, sculpture and video come together to form her first solo show.

Putting into focus ideas of ‘un-learning’ in order to evolve, Kayleigh creates a body of works that inform three-dimensional ideas about the way our minds and body’s absorb information and move around conditioned behaviours. Kayleigh’s works utilise spatial, visual and kinesthetic methods of learning, creating a playground of stimuli.

The artworks are not available for pre-sale.
Some artworks are not present in this catalogue and are not available for preview.
